

EYEMAXX plans dual listing at the Vienna Stock Exchange

Aschaffenburg, 11 January 2019 – EYEMAXX Real Estate AG (General Standard; ISIN DE000A0V9L94; “EYEMAXX”) plans a dual listing of its shares at the Vienna Stock Exchange in the new market segment “direct market plus”, which will start on 21 January 2019. This means that EYEMAXX will have an even broader positioning on the capital market and increase its visibility for Austrian investors.

The shares of EYEMAXX Real Estate AG have been listed in Germany in the General Standard since 2011. In addition, bonds of the company are listed on the stock exchange in Germany.

Dr. Michael Müller, CEO der EYEMAXX Real Estate AG, explains: “The fact that our shares will now also be tradeable at the Vienna Stock Exchange makes us more interesting for a broader group of investors. In this way we also increase the visibility on the Austrian capital market, which is likely to have a positive impact on our ongoing profitable growth. Since we meet already strict transparency obligations as a result of our listing in the General Standard in Germany, the dual listing in Vienna will not involve any significant additional efforts.”

Mag. Maximilian Pasquali, LL.M., Deputy CEO EYEMAXX Group, comments: “Austria is, for instance in the field of residential properties, in addition to Germany, among our core markets in project development. Although our registered office is in Germany, we coordinate the operational activities from Leopoldsdorf near Vienna. This is another reason why a listing in Austria is obvious for us, as a supplement to our listing in Germany.”
